

Spring . Summer 19

Adult collection

G2 SILVER PRINTED LINEN

La collection SS19 revêt un air de vacances et de siestes au soleil. Cette année, les G2 et B2 heavytwill sont éditées dans une nouvelle gamme de couleurs ; le coton est teinté puis délavé, les roses et bleus s'adoucissent comme en une fin d'été. Les canvas classiques se déclinent dans des camaïeux de jaune et de gris. La saison propose une nouvelle gamme lin et coton.

Rayée, surpiquée, ou imprimée d'une trame argentée, la matière évoque la marinière, les voiles d'un bateau ou les éclats du sable au soleil.

The SS19 collection is here with a touch of summer vacations and siestas in the sunshine. This year, the G2 and B2 heavytwill are out in a new range of colors; the cotton is dyed then faded, softening pinks and blues like in late summer. The classic canvas shoes come in shades of yellow and gray. The season offers a new range of linen and cotton.

Striped, top-stitched, or imprinted with a silver weft, the material evokes the Breton sailor's top, the sails of a yacht, or sunlight glinting on golden sands.
