SPRING COURT

FALL WINTER 2016

ADULTS

2016 ; Spring Court a 80 ans et propose une collection inspirée par la curiosité et l’insouciance de ses premières années.

Cette saison, la marque puise ses codes dans l’univers des aventuriers des années 30 ; les débuts de l’aviation, les alpinistes et skieurs, l’adrénaline de cette période de découverte.

Spring Court met en lumière ses iconiques G2 et B2, et décline les classiques de la maison dans des matières chaudes et résistantes inspirées des blousons en chabraque de l’aviatrice Hélène Boucher, ou encore des bottines bordées de revers de laine des explorateurs alpinistes. Le cuir lambskin, le coton “heavy twill”, les larges straps surpiqués revêtent des camaïeux de marron, de bleu-gris, de vert, qui rappellent la teinte des premiers vêtements techniques.

Spring Court réédite également une version nubuck de la G2 Clay, modèle le plus urbain de la collection.

2016: Spring Court is 80 years old, and is celebrating with a collection inspired by the curiosity and carelessness of its early years.

This season, the brand is drawing inspiration from the explorers of the 30s — the pioneers of aviation, climbers and skiers, and the adrenaline that thrived through this period of discovery.

Spring Court is showcasing its iconic G2 and B2 models, transforming the house classics through warm, resistant materials and drawing from models such as Hélène Boucher’s lined bomber jacket or the wool lined boots of the Alpine explorers. With lambskin leather and “heavy twill” cotton, the wide stitched straps take on shades of brown, bluish grey and green, reminiscent of the colors of the first sportswear apparel.

Spring Court is also reissuing a nubuck version of the G2 Clay, the collection’s urban model.

SPRING COURT

FALL WINTER 2016

KIDS

Courir jusqu'au bout de la rue, franchir d'immenses gouffres à pieds joints, dénicher des trésors cachés... l'enfance est cousue d'aventures et de découvertes.

Inspirée par les explorateurs du début du siècle, la collection Automne/Hiver 2016 joue avec les matières et soigne chaque détail. Le nylon matelassé imperméable, la toile de coton ou le velours côtelé se mêlent au cuir et à la laine chinée pour accompagner les enfants dans leurs vies trépidantes.

Cet hiver, Spring Court s'adresse également aux tout petits avec une gamme de toiles et cuirs colorés relevés d'impressions graphiques et de ganses assorties.

Running to the end of the street, jumping with both feet across endless pits, discovering hidden treasures... Childhood is made up of adventure and discovery.

Inspired by the early, turn-of-the-century explorers, the 2016 Fall/Winter collection playfully engages materials and attends to their every detail. Waterproof quilted nylon, cotton canvas and corduroy mingle with leather and flecked wool to accompany children in their busy lives.

This winter, Spring Court is also offering a toddler line with a range of colourful, printed and braided canvases and leathers.
